Term 1 Week 2 2013

Email: hillsboro-p.school@det.nsw.edu.au

I welcome all to the 2013 school year and I extend a special welcome to all our new students and their families. We have 289 children in our school this year and that allows us to have 12 classes. This is an increase from 11 in 2012. The classes are as follows: Mrs Mills, Mrs Hewitt and Mrs Dawes each have Kindergarten, Mrs Ayliffe and Miss Ridgeway have the 2 Year 1 classes and Mr Burke and Mrs Pike each have a Year 2 class. Mrs Farrell has Year 3, Mrs Martens has Year 4 and Mrs Miller has some Year 4 and some Year 3 children. Mr Daniels and Mr Edden both have a combined Year 6 and Year 5 class. I have not given Mrs Stothard a class this year. She will be working in all classes throughout the year in a support and guidance role.

School Fees

Correctly called Voluntary Contributions. We ask families for the following contributions. For 1 child \$50 and for a family we ask \$75. These funds are spent directly on the children and contribute to the purchase of the many consumables they use including pencils, books, paper, glitter and so on. Your prompt payment is greatly appreciated. Letters will be sent home with the children tomorrow.

Allergies

The Department of Education and Communities has recently announced that all government schools will receive a general use adrenaline autoinjector (an EpiPen) for their first aid kit. This does not replace the need for parents to continue to provide the school with an adrenaline autoinjector and ASCIA Action Plan for Anaphylaxis signed and dated by their doctor when their child has been diagnosed with anaphylaxis. Instead the general use adrenaline autoinjector is intended to be used if:

- An undiagnosed student has an anaphylactic reaction at school
- There is a misfire of the adrenaline autoinjector that has been prescribed for a student
- A student requires further adrenaline autoinjector to be administered after his or her own adrenaline autoinjector has been administered.

Please contact the school if you would like further information in relation to this matter.

YOU MUST ADVISE THE SCHOOL IF YOUR CHILD HAS ANY MEDICAL ISSUE THAT REQUIRES SCHOOL MANAGEMENT

A few PLEASES

- Ensure children are not late for school.
- Don't have children here before 8.30.
- Provide a note if the your child is late or absent.
- Without my direct permission do not use our car park.

FUN 4 SPORTS

NOW AT THE FORUM!

FIRST STEPS TOWARDS SPORT AND WELLBEING

Saturday and Sunday mornings from 2013! (ages 2 years to 6 years)

Research has shown how vitally important it is for children to be physically active and to develop basic sporting skills. Fun 4 Sports is a great example of an active program that involves fun, inclusive and developmentally appropriate skill-based experiences for children. Importantly, Fun4sports engages parents to participate in activities that not only benefit their children's physical health but enhance their social and emotional well-being.
