## Ready for their Performance with NJS

## Principal's Report...

Dear Parents and Caregivers,

We were very proud to receive a lovely phone call this week, from an elderly lady in our community. She had been shopping at a local supermarket and was approached by a student in Hillsborough Public School uniform who offered her some help. The lady gratefully accepted and was so impressed with the polite, respectful maturity of the student that she said she just had to thank and compliment us! Congratulations and thank you to our lovely mystery helper you have shown real Hillsborough values and been recognised as a fantastic role model in our community. We are always so proud of our respectful, responsible students and it is lovely when others notice how terrific our kids are.

I am excited to share with you some of the wonderful results we have achieved this semester. As part of the DEC reforms to school funding, our school was allocated context funding this year to be used for programs and resources to improve student outcomes. With some of this money we chose to resource and fund Literacy programs within the school. The results our teachers and students have achieved are nothing short of astounding.

Our Kindergarten students have made amazing progress with more than 83% reading above expected kindergarten levels. I can attest to the quality of their independent writing, having had many visitors coming to read me their cracked fairy tales this week. Not only were they writing increasingly lengthy exciting narratives, they were using descriptive language and were beginning to edit their own work.

The 'Leg Up' program for Stage One students has proven enormously successful. Targeting students who were underachieving in Literacy, Mrs Hanley has been able to support many students and as a consequence we have around 92% of our Stage One students reading at or above grade expectations. The flow on effect of this intervention cannot be understated and we are looking forward to excellent student literacy outcomes for years to come.

Although not benchmarked in the same fashion, our Primary students have shown similarly commendable achievements. Our Stage Two and Three classes have embraced the 'Focus on Reading' professional learning our staff have undertaken this year and we are already seeing the impact of this comprehension focus in our primary classrooms. Moreover the deep understanding of English concepts and Literacy strategies is evident in student achievement, discussion and work samples across a range of Key Learning Areas.

I want to take this opportunity to publicly congratulate our quality teachers and their students for the effort and enthusiasm they bring to learning every day at Hillsborough Public.

Lucinda Farrell  
Principal

## Uniform Shop News...

We have had many families send through their uniform orders, we thank you for getting in early. If you require uniforms, please fill out the attached Uniform Shop Order form and return it to the school.

Please check our days/hours of operation as we have added and altered days to allow more opportunities to come in and purchase your uniforms. The Uniform Shop will NOT be opened on Staff Development Day next year.

We have had some families say that they have struggled to find predominantly white shoes for sports day. Here are some suggestions of where to find these for next year: Rebel Sport, Big W, Target, Payless Shoes, Paul's Warehouse, K-Mart, Mathers and Williams.

Just a reminder also, the transition period for the new uniform which was voted in by the school community mid 2012 concludes this year. Uniforms from the old policy are not to be worn next year. Yellow polo shirts, peaked caps, track pants and jazz pants on non-sports days will no longer comply with the new uniform policy.

Don't forget that all profits from the Uniform Shop are invested back into the school for the benefit of all students.

Thank you.

## P&C Fundraising Planning for 2015

WELCOME

The P&C Fundraising Sub-Committee is having a brief meeting next Wednesday December 10th from 2pm to 2:45pm in the library to start planning for next year.

We would like to invite all parents, grandparents, carers and friends of HPS to come along with ideas or suggestions for fundraising for our school in 2015. ALL ideas are very welcome, but we will only be able to use the ideas that have volunteer/s to co-ordinate them.

Current suggestions include Easter and Christmas raffle, Pie/slice drive, Calendar, Talent show, Crazy hair day, Carols on the Green, Halloween event, Movie night, Bunnings BBQ, Cookbook, Trivia night, Disco BBQs, March election BBQ. Mothers Day and Fathers Day stalls already have volunteers to run them next year.

If you have some ideas or would like to be involved but can't make the meeting then contact Amber on [HPSspringfair@optusnet.com.au](mailto:HPSspringfair@optusnet.com.au) or join the facebook group "HPS P&C Events" to join the conversation!

## BAD SMELL

You have no doubt been unfortunate enough to notice the unpleasant odour wafting over our COLA area in the past few weeks. After much investigation we believe the smell is associated with Winding Creek. We have informed the Water Board and they are dealing with the problem.

## KISS AND DROP ZONE

There are just a few niggly problems with our 'Kiss and Drop' zone at the moment. Please ensure that when you drop children in the mornings they are instructed to come straight into school, we have had a few reports of kids playing on the footpath outside the grounds. Please remember the 'Kiss and Drop' zone is not a place to park or to stop for extended periods, the idea is to keep the through flow of traffic. Thank you for your cooperation in this matter.

## Christmas Cards and Candy Canes

While Christmas cards are fantastic, please remember our school policy is that we do not share foods as we have students with serious food allergies. Please do not include candy canes or Christmas chocolates and lollies in Christmas cards.

## LOST SOMETHING?

***There is a lost property box located in the office in sickbay.***

***Please remember to label all items that are brought to school so that they can be returned to your child if they go missing.***

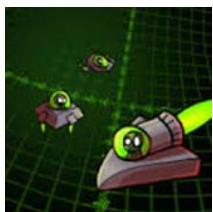

## Late Arrival & Early Pick Up of Students

Parents/carers are advised that children who arrive late to school need to come to the office to get a "Late Arrival" note, regardless of whether they are accompanied by an adult.

If you are picking up your child early from school, parents/carers or a designated person **MUST** come to the office to get an "Early Leaver" note before collecting their child. Teachers will not allow your child to accompany you unless you provide them with the Early Leaver note.

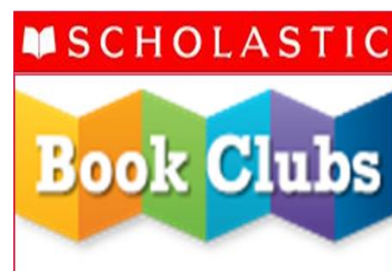

# This Week's Featured App

**Grid Lines** is a game to test logical skills as well as coordinates. Similar to the good ol' game Battleships, Grid Lines is an app where coordinates are visible (ranging from -10 – 10 on each axis) and as many as 8 shapes are also visible. Before playing, a dice is rolled and 4 coordinates are given for players to use to plot onto the grid to fire a laser. When two coordinates are entered (for example -7, 2) a red dot appears. Once all four coordinates are in and the player is satisfied, they press to fire a laser. If the coordinates are correct the shapes will be struck and points will be awarded. However, if the laser misses due to poor coordinates the player loses and has the option to try again or restart. This game can be used as a single player or multiplayer and can be as fun as it is frustrating!! J

**Book Club has been delivered. Next book club will be Term 1 2015.**

The next P&C meeting will be  
Friday 6th February 2015  
8.30am in the Library.  
**ALL WELCOME TO ATTEND!**
