SAFE Online**

Principal's Report...

I am very proud this week to share with you the continuing success of Dylan N in Year Six. Last term Dylan, along with classmate Riley T, were elected to represent Northern New South Wales in an Under 12 soccer team to play in the Saitama International Junior Football Tournament next month in Tokyo [see P&C information regarding the Sushi meal fundraiser later in the newsletter]. Then last week Dylan was selected in the New South Wales Under 12s team to compete in the Interstate Championship held in Victoria in September. This is a wonderful achievement for Dylan, who is reportedly the first student from the Hunter and Central Coast area to be chosen for the state team in 8 years. I am sure everyone in our HPS community will join with me in congratulating Dylan and wishing him all the best.

Laila rebutting the opposition

Our team for this round did a fabulous job debating 'that we should not ban plastics'. Though not victorious on the day it was a very close contest and a commendable first effort.

This week saw our debaters take to the stage for the first time in the 'Train On' debating challenge. The 'Train On' competition is for beginning debaters and it is lovely to note just how many students we have that are keen to take part. I believe debating is a valuable activity, it helps to develop a whole range of skills, including logical and analytical thinking and self-confidence; skills that will serve our students well throughout their lives.

Abby makes her case

Principal's Report...continued...

Once again this week I have been delighted to see the quality of work that students bring down to the office. I can proudly say I am running out of stickers!

Molly shows her excellent and informative description

Finally, just a reminder to save the date for Grandparents Day on Tuesday the 24th June. Our Grandparents day will be a K-6 event this year beginning at 12:30 until 2:15 and promises to be a great afternoon. More information will be available closer to the day.

Lucinda Farrell
Relieving Principal

This Week's Featured App

Sight Words by Photo Touch is a good, free app that helps students listen to and identify sight words. Students are presented with at least three sight words, the app reads a sight word and has to tap on the correct word. The app dings when the correct word is not chosen, helping the student recognise the correct word. This is great to help all young readers develop their knowledge of sight words and improve their reading.

Book Club orders due back by Friday 13th June.

The next P&C meeting will be held Friday 20th June at 8.30am in the Library.

ALL WELCOME TO ATTEND!

ASSEMBLY

Assemblies are on a fortnightly basis on a Tuesday at 2.15pm in the hall. Parents are welcome to attend. The next assembly day will be on **Tuesday 17th June**. The item will be performed by **The Ukulele Group**.

1-2-3 MAGIC® & EMOTION COACHING PARENT COURSE

Learn to manage difficult behaviour in children 2-12 years old

A three-session program for parents and carers
at Allambi Youth Services Inc.
28 Fraser Parade Charlestown
on 12th, 19th & 26th June 2014 at 9.30am to 11.30am.

Learn:

- ✓ How to discipline without arguing, yelling or smacking
- ✓ How to sort behaviour
- ✓ How to handle challenging and testing behaviours
- ✓ Choosing your strategy, the three choices
- ✓ Using emotion coaching to encourage good behaviour
- ✓ 7 tactics for encouraging good behaviour

Parents will receive:

- A 1-2-3 Magic & Emotion Coaching Parent Workbook.

Registration:

The course costs \$20.00 which covers workbook & morning tea's.
Register for this course by contacting Jillian or Tristeen at Allambi Youth Services on 4944 5900.

What people are saying...

What a relief to come across a program that preserves the dignity of the child, maintains the self control of both the parent and the child and is actually easy to remember when memory is the first thing to go!

I realized quickly that the 1-2-3 Magic can be a magnificent preventative measure that any parent can use to avoid raising a child, who later down the line, needs excessive discipline or grows out of control

Who is running it?

The presenter for this course is Michael Burke who completed Parentshop's 1-2-3 Magic® & Emotion Coaching practitioner training on 21/10/2013. Michael is an Adolescent & Family Counsellor in East Lake Macquarie.

For more information contact Michael on 0408474602.

- An end to the arguing and yelling! • It saved our lives • Simple, sane, effective

This course is being run by a Parentshop® licensed practitioner. www.parentshop.com.au

Look at what is happening in 2H.

2H have been doing lots of exciting things in class. This term we are looking at wet and dry environments and how we impact on our environment. We have been investigating how things break down in the environment and recording our results. We have also introduced a small worm farm into the classroom to see how worms play an important role in keeping our soil healthy. Zackary has been drawing and collecting his results on rubbish and leaf matter.

During literacy groups we have been looking at and writing information reports on animals and their habitats. Isabella has written a very informative report on whales.

name: Isabella

Whales

Classification
Whales are mammals.

Appearance
They have blow holes on their heads. They are very big. They have large forked tails.

Diet
Whales eat fish and squid and others eat tiny shrimp.

Habitat
Whales live in world's oceans and even in inland rivers.

Other Interesting Information
Whales hold their breath for a very long time under water. A whale mother feeds her calf milk from her body.

A+ Excellent, well researched report. Mrs Forrest 19-5-14

During our math groups we have been learning about 2D shapes and their properties and have been having lots of fun creating pictures with different 2D shapes. Olivia has created and written a description of her 2D shape picture.

2D Shapes flat shapes polygon
square parallelogram rhombus
rectangle pentagon octagon my
shape has 6 sides on this shape and
on the other shape there is 4 sides.

2H are very fortunate to have some fantastic parent helpers who help make our math groups and literacy groups run smoothly.
