Principal's Report...

We have very much enjoyed our visit from Healthy Harold and the Life Education van. All of our classes have been involved in high quality learning experiences around healthy choices and personal safety. Harold, the friendly giraffe who makes his home in the van, was a huge hit with our younger classes, and even our seniors enjoyed meeting him. I would like to thank our wonderful P&C who subsidised this activity for all families.

Healthy
Harold*

"Thank you to Commonwealth Bank and Aurizon for supporting our recent visit with Healthy Harold and the Hunter Life Education team. Life Education supports us in teaching children what they need to know to make smart choices and develop healthy habits that last a lifetime".

Part of our core beliefs here at Hillsborough is that school should be a happy and safe place for all. Our staff are working hard to ensure that is the case, revisiting our expectations and encouraging responsible and respectful behaviours. It is fantastic to see the supportive attitudes and great choices our students are making every day in their work and play, it is a very large part of what makes Hillsborough such a great school.

As our 'World Cup Soccer Tournament' comes to an end, just a reminder that our top COLA has some great activities for recess play including a handball competition run by Mrs Oosterveen and Miss Wotherspoon-Brown's Art Club; not to mention the many groups of loom band crafters, who are just getting more and more creative!

Late Arrival & Early Pick Up of Students

Parents/carers are advised that children who arrive late to school need to come to the office to get a "Late Arrival" note, regardless of whether they are accompanied by an adult.

If you are picking up your child early from school, parents/carers or a designated person **MUST** come to the office to get an "Early Leaver" note before collecting their child. Teachers will not allow your child to accompany you unless you provide them with the Early Leaver note.

Principal's Report...continued...

Finally, amazing quality work just keeps on coming! From the excellence found in the fortnightly Quality Bookwork Awards, the great foyer displays, our Class of the Week in the newsletter and the students who knock on my door every day to share something special, I am continually impressed. Well done everyone!

Class 1N

Life Education with Dr Drake

Elle demonstrating where important organs are.

Thomas quickly identifying friends of ten.

Adam is learning how words work with our magnetic letters

Our class speeches have been fantastic and are enjoyable to listen to. I am impressed with the high standard of preparation for our speeches.

Learning about 2D and 3D Shapes on the Smart board

Isabelle writing Silly Sentences. Very funny.

Writing everyday is important

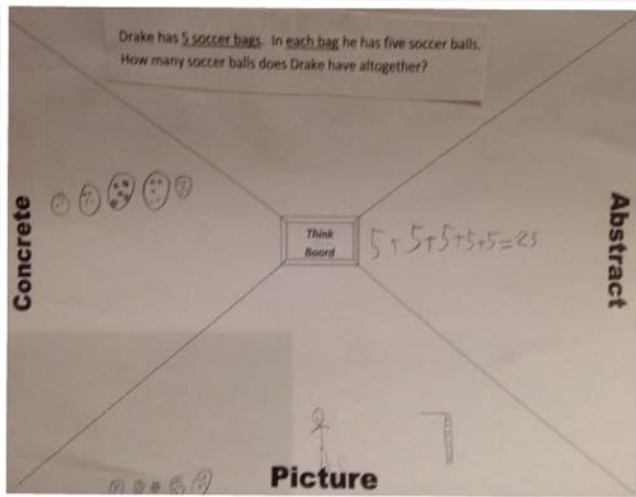

Eloise working hard on her writing.

We enjoy reading and growing our knowledge in our Reading Garden

Jack creatively illustrating different environments

Using Think boards in maths helps to analyse and break down maths problems.

In HSIE, we are learning about different types of environments. Students have created artworks comparing natural environments with built environments. Well Done 1N your artworks are outstanding and will be hanging up in our 1N Art Gallery.

Class 1N read Apollo the Powerful Owl. There were many facts that students gained from reading this text.

Using this visual image students were predicting how and why the zebra got up on the giraffes neck.

Owls can not change their diet. They can only eat meat all the time.
Owls are powerful. They have big yellow glowing eyes and big powerful wings. They can not stay on the forest floor for too long. - Sienna

Big powerful owls have sharp claws and large glowing eyes. They use their sharp claws to get food. They eat meat. Owls fly at night and attack their prey at night. - Thomas

I think that the zebra jumped on the giraffe's neck because there was a lion chasing the zebra. I think the giraffe wanted to play. - Erika

Canteen News...

Well Term 2 is coming to an end and we would like to thank all our volunteers for their time.

Hopefully next term we would like to introduce some new items to our menu to make our canteen even "GREENER". If you have any suggestions for new products or any ideas that could help in the canteen please place them in the office post box or send an email to the school; hillsboro-p.school@det.nsw.edu.au.

New volunteers are always welcome.

This Week's Featured App

Does your child like to explore, create and design? **Toca Boca Fairy Tales** is a very cute and popular app at HPS that young students enjoy using. This free app engages students in choosing a boy or girl character and then provides many different opportunities to design clothes and accessories for their character. As it is fairy tale based, the clothes are appropriate and consist of funny hats and patchwork pieces. Once their character is ready, students can take photos of their character in real time using the camera. Students can pretend they are in their own fairy tale with their character and create scenes using the camera and their character. There is loads of fun to be had with this great app!
