Dear Parents/Caregivers

On Monday this week we proudly acknowledged Education Week at Hillsborough Public with an assembly that celebrated the talent, effort and dedication of our students. Congratulations to all our award winners and performers on the day, we are very proud of you all.

Last Thursday a group of aboriginal students and their families and friends visited Cardiff High School to witness the signing of the AECG and Cardiff Community of Schools partnership agreement. The Partnership Agreement is a commitment between the local schools and Minimbah Aboriginal Education Consultative Group. The aim is to provide an education system that acknowledges and respects Aboriginal people by identifying common educational goals in consultation with our local Aboriginal Community. It was a very special ceremony that involved several of our students in important roles. We also created a beautiful artwork which we look forward to featuring in our school grounds.

This Week's Featured App

Mathsterious Mansion is a great free app created by the same company who brought us Mathletics. This app is great as it engages students in calculating sums using a hundreds chart. This helps develop essential Mathematical skills. Once students have completed each level, they collect items and clues to solve the mystery in the mansion. This is a great app for all students, big brothers and sisters would enjoy showing younger family members how to play, while having lots of fun solving the mysteries!

Book Club will not be issued until Term 4 as there is a Book Fair in Week 6 of this Term.

The next P&C meeting will be Friday 12th September 8.30am in the Library.
